Venue: Govt. Higher Primary School, Anagalli

In order to cultivate service motive and community involvement nature among the students, the volunteers of Rovers and Rangers were taken to a nearby school in Anagalli Gramapanchayat location.

The students of Rovers & Rangers engaged the school pupils in various games and cultural activities. The Rovers, Rangers volunteers participated and also made the school pupils to participate and involve in different exercises.

The school management, staff and students were extremely overwhelmed by our initiative.

Extension Activity at Anagally Primary School

66

Date : 17/03/2024

Nature of the Programme : Extension activity
Place : Kodi Beach -

Brief Report :

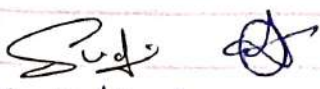

we conducted an extension activity for nature club students to clean beach surrounding area in Kodi, on 17/03/2024.

On 17/03/2024 students engaged in an extension activity with a visit to "Kodi beach" for cleaning beach surrounding area.

Students of Nature Club divided into teams, each assigned a specific section of the beach. They collected trash including plastic bottles, food wrappers & other waste.

Collected items were sorted into categories for recycling and disposal. Recyclable materials were separated to ensure proper processing.
