Topic : Group Discussion

Brief Report

For students group discussion helps to train themselves to discuss and argue about the topics given. It helps to express their views on serious subjects in formal situation.

Group discussion helps the students to reach a solution on an issue, generate new ideas, improves the ability to think critically and provide an opportunity to hear the opinion of others.

In the academic year 2023-24 prospective faculty members conducted group discussion in their class to evaluate subject knowledge, communication skills and team management.
