NATURE CLUB

PLAN OF ACTION FOR THE AY 2023-24

We all know that we are part of the environment we live in and the solution to many environmental problems lie in our attitude towards environment. Be it awareness to keep our surroundings clean or the realisation to conserve natural resources by reusing and recycling wherever possible, they are attitudinal. But changing the attitudes of 140 crore people is not going to happen overnight. The best way to attempt to bring about change in the attitudes in the society is through students.

Nature Club is a platform through which we get knowledge about the environment. It is a group which works to contribute to improving environmental conditions. It enables the students to be sensitized towards environmental concern to tackle environmental problems. It also promotes the participation of students in learning about and improving their environment.

Objectives

1. To educate the students about their environment.
2. To motivate the students to keep their surroundings green and clean.
3. To promote ethos of conservation of water.
4. To mobilize students towards scientific enquiry into environmental problems.
5. To involve students in efforts to preserve environment.
6. To motivate students how to imbibe habits and lifestyle for minimum waste generation.

Plan of activities
