Date : 20/12/2023

Time : 2.00 pm

Venue : 003

Agenda :

- * Feedback about slow learners coaching class.
- * Motivation to take exams positively.
- * Suggestions for improvement.

Providing Constructive feedback on the effectiveness of coaching classes designed for slow learners. This includes assessing how well the classes are meeting educational goals, identifying areas for improvement, & acknowledging successes.

Encouraging & inspiring slow learners to approach exams with a positive mindset. This involves emphasizing the importance of exams as opportunities for growth, providing encouragement & support, & fostering a conducive environment that boosts confidence & reduces exam-related anxiety.

Offering recommendations & strategies for enhancing the educational experience of slow learners. This may include adjustments to teaching methods, personalized learning plans & additional support resources.

Date : 20/03/2024

Time : 3.45 p.m

Venue : 003

Agenda :

- * Analysing the improvement graph.
- * Special instructions for improvement.
- * Any other matter (Absentism/Regularity)

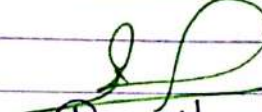

Reviewing & interpreting data as graphs that illustrate the academic progress of slow learners over time. This analysis helps teachers identify trends, strengths, & areas needing further development, enabling targeted interventions.

Providing specific guidance & strategies tailored to the individual needs of slow learners to enhance their learning outcomes. This may include differentiated instruction techniques or additional support services aimed at addressing academic challenges effectively.

Addressing issues related to attendance & consistency in participation. This involves discussing factors impacting attendance & implementing measures to improve regularity.
