### Chemistry Chart Making Competition - 2018

On the occasion of world science day, a chemistry chart making competition was held on 10th November, 2018. 13 students of I B.Sc.class have participated in the competition. Students were asked to prepare the chart Individually in a time duration of one hour.

The competition was held to bring the creativity of the students in chart making and to develop the critical thinking.

Miss Vismitha V, HOD of Chemistry, Dr. B.B. Hegde First Grade College, Kundapura, judged the competition based on the creativity, quality, concept, presentation and were awarded 1<sup>st</sup> 2<sup>nd</sup> and 3<sup>rd</sup>.

The names of the winner are as follows.

Suchithra- I B.Sc. - 1<sup>st</sup> place

Swasthik -I B.Sc. - 2<sup>nd</sup> place

Meghana- I B.Sc. - 3<sup>rd</sup> place

### Inter Class Chart Making Competition - 2019

On the occasion of National chemistry week, a chemistry chart making competition was held on 21<sup>st</sup> October, 2019. 13 students of class III B.Sc. and II B.Sc. have participated. Students were asked to prepare the chart individually in a time duration of one hour.

The competition was held to bring the hidden talents of the students in chart making and to enhance the creative learning.

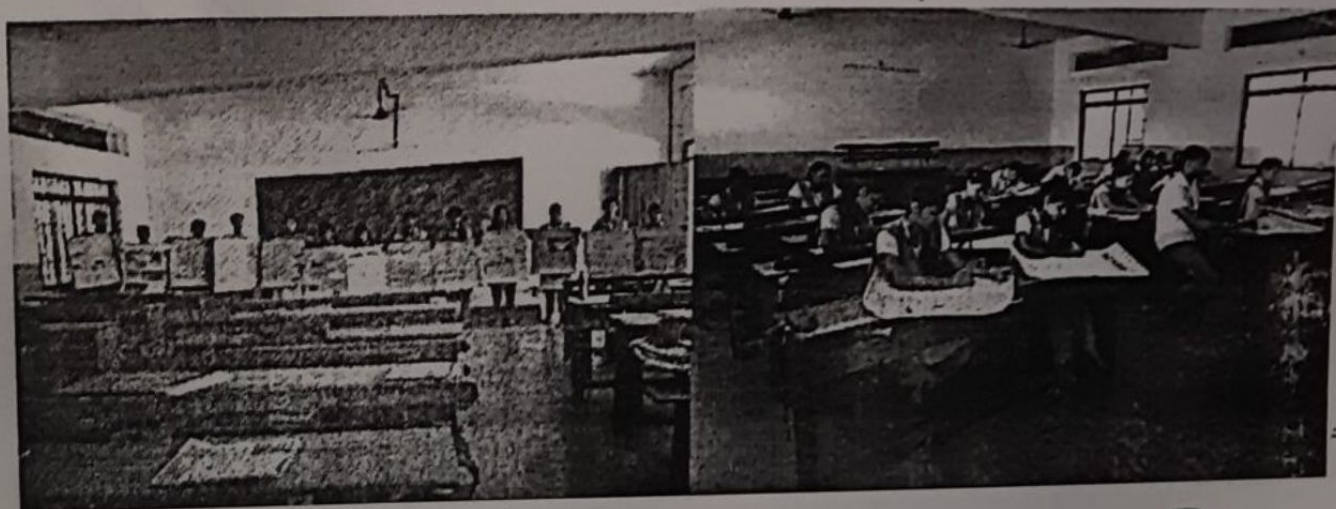

Miss Shubha Adiga, Assistant Professor of Chemistry, Dr. B.B. Hegde First Grade College, Kundapura, judged the competition based on the creativity, quality, concept, presentation and were awarded 1<sup>st</sup> 2<sup>nd</sup> and 3<sup>rd</sup>.

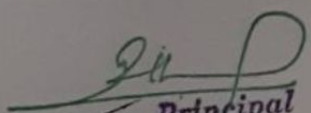

The names of the winner are as follows.

Sulatha- II B.Sc. – 1<sup>st</sup> place

Lavanya – II B.Sc.C – 2<sup>nd</sup> place

Cyon – III B.Sc. – 3<sup>rd</sup> place

### Chemistry Model Making – 2019

On the occasion of birthday of a famous chemist, father of atomic theory i.e. Dalton, an activity of making chemistry model was held on 6th September 2019. Students of II B.Sc. class have participated in the activity and have made beautiful atomic models in the lab.

The activity was held to bring the creativity of the students in model making, to develop the critical thinking. The activity was held to test the knowledge of students about atoms, number of protons, neutrons, electrons, orbits, shells, subshells, different quantum numbers and arrangement of electrons in different orbitals. The activity also shows the teamwork since the students have made models in group of members.

## **Science Model Competition – 2019-2020**

Science Model Competition was held on 18 January 2020. B.Sc. students have participated in the competition. Students were asked to present their models with brief explanation.

Ms.Sowmya and Mrs.Vanitha, Assistant professors of dept. of Computer science of our college, judged the competition based on the knowledge, creativity, skill, thoroughness, presentation of the students. There were 12 science models including physics, chemistry and mathematics. The competition was held to bring the hidden talents of the students in science model making and to enhance the creative learning. Principal of our college Prof.Umesh Shetty, gave his presidential speech and motivated the students to create more scientific models.

Winners of the competition were awarded with cash prizes and certificates.

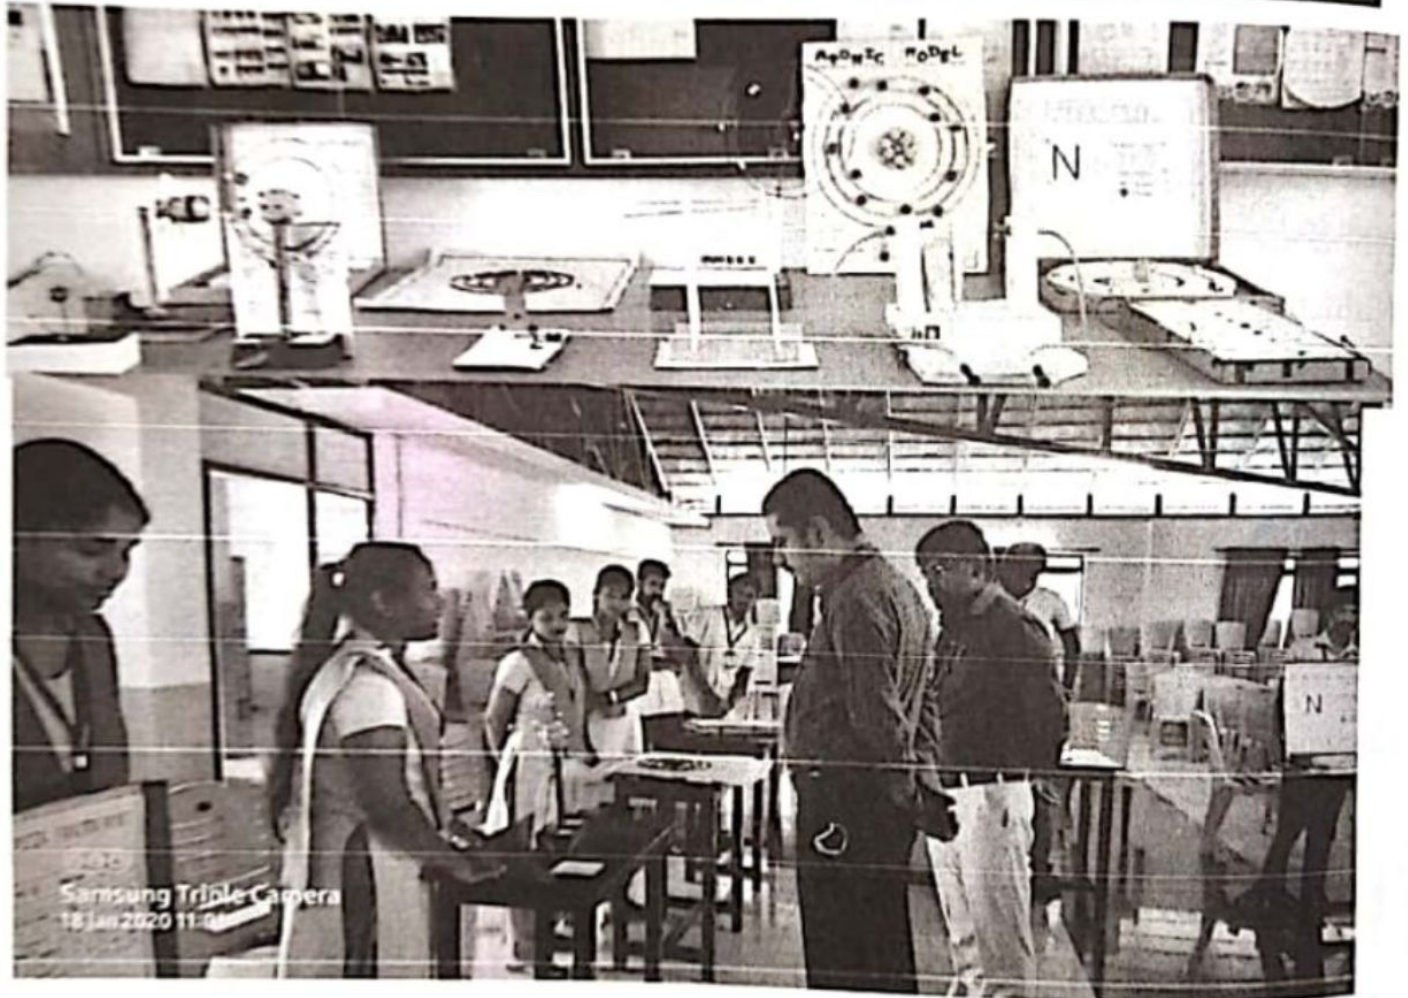

The names of the winner are as follows.

Charan, Swasthik, Jostin- II B.Sc. – 1<sup>st</sup> place

Akshath, Akshay– I B.Sc. – 2<sup>nd</sup> place
